

EXPERIENCE

Photo/Video Production Internship

January 2026 — May 2026

The Children's Museum of Indianapolis — Indianapolis

- Assisted in planning, producing, and capturing photo and video content across marketing, digital, and social media platforms
- Operated professional DSLR and mirrorless cameras, lighting equipment, and audio gear
- Edited photos and videos using Adobe Creative Suite to meet brand standards and storytelling goals

News Producer

May 2025 — May 2026

UINDY TV — University of Indianapolis

- Produced weekly live and recorded newscasts by overseeing editorial planning, story selection, and overall show execution
- Built detailed show rundowns, organized scripts, and coordinated segment timing to ensure smooth broadcast production
- Led editorial meetings, pitched story ideas, and collaborated with reporters and anchors to develop relevant news coverage
- Mentored reporters and production staff by providing editorial feedback, script revisions, and workflow support

On-Air Talent

August 2025 — May 2026

UINDY TV — University of Indianapolis

- Conducted live and pre-recorded interviews with students, faculty, administrators, and community members
- Delivered live and recorded on-camera news coverage for weekly campus television broadcasts and news packages
- Wrote, revised, and presented news scripts using AP Style and broadcast journalism standards

Photographer

August 2023 — Current

Freelance

- Capture and deliver high-quality photo coverage for clients across sports, events, editorial, portrait, and promotional assignments
- Manage all production process aspects, including scheduling, equipment preparation, file management, and invoicing
- Edit and retouch images using Adobe Lightroom and Adobe Photoshop to ensure professional-quality final deliverables

Photo Editor, Writer

August 2024 — May 2025

"The Reflector" — University of Indianapolis

- Captured and edited photos to add quality visuals in the university newspaper
- Coordinated, conducted and transcribed interviews with sources for detailed storytelling
- Used copyediting and AP Style to edit and ensure accuracy of stories, graphics, and photo captions

Multimedia Internship

September 2023 — February 2024

Marketing Department — University of Indianapolis

- Engaged with UIndy students, faculty, and alumni to increase brand awareness
- Worked in developing new content to engage audiences across various digital platforms
- Attended campus events to capture and edit content through Adobe programs and Microsoft Office Suite
